<p>Go Noodle - get active with Social Studies https://app.gonoodle.com/categories/social-studies</p>		<p>BrainPop www.brainpop.com Social Studies choices: Your choice! Be ready to share what you've learned.</p>

<p align="center">Continuous Learning Plan: Grade 3&4 Week of March 30th - April 3rd</p>		
<p align="center">Science Activities for the Week (Choose 1-2 options per day to complete)</p>		
<p>Go Noodle - get active with Science</p> <p>https://app.gonoodle.com/categories/science</p> <p>Ideas: Water cycle, My Beating Heart</p>		<p>BrainPop www.brainpop.com Science: Our Fragile Environment Matter and Energy Choose another that interests you. Name of article & 6 things you learned. Share.</p>
	<p>BrainPop www.brainpop.com Science: Space - choose Moon Phases & Moon Energy - choose 2 Write 6 things you learned, share with me.</p>	
<p>https://www.youtube.com/watch?v=IIMN-XVcpkE</p> <p>Watch the videos on the moon and tides. Feel free to find other videos to watch on this subject and how the moon affects the earth. Share something you learned.</p>	<p>***** Share what you've learned with me!</p>	<p>https://bit.ly/2WAd4kt</p> <p>Read about the phases of the moon. Click on the easy experiment, try the quiz.</p> <p>Share how you did.</p>
	<p>Once you have read about the moon phases, write down 3-6 things that you've learned how the moon affects the earth. How do tides affect living and non-living things. Share with me.</p>	

Continuous Learning Plan: Grade 3&4

Week of March 30th - April 3rd

Hebrew & Judaics Activities for the Week

(Choose 1-2 options per day to complete)

Daily Tefilla Challenge!

Start your day with a morning prayer for at least 15 minutes.

Each day you pray earns you a ticket into a **weekly raffle** of \$20 Amazon gift card!

Congratulations to last week's winner!

Use any siddur you have at home or alternatively use this [online siddur](#).

After you have prayed, add your name [here](#).

Goal: practicing the morning prayers, staying connected and praying - specifically keeping in mind those affected by the current situation.

Show and tell (in Hebrew) -

choose a favorite game, spot or any other item in your house that is meaningful to you. Video yourself:

- describing the item
- describing its function
- explaining why it is important to you

Please email your video to: roirechman@rjds.ca

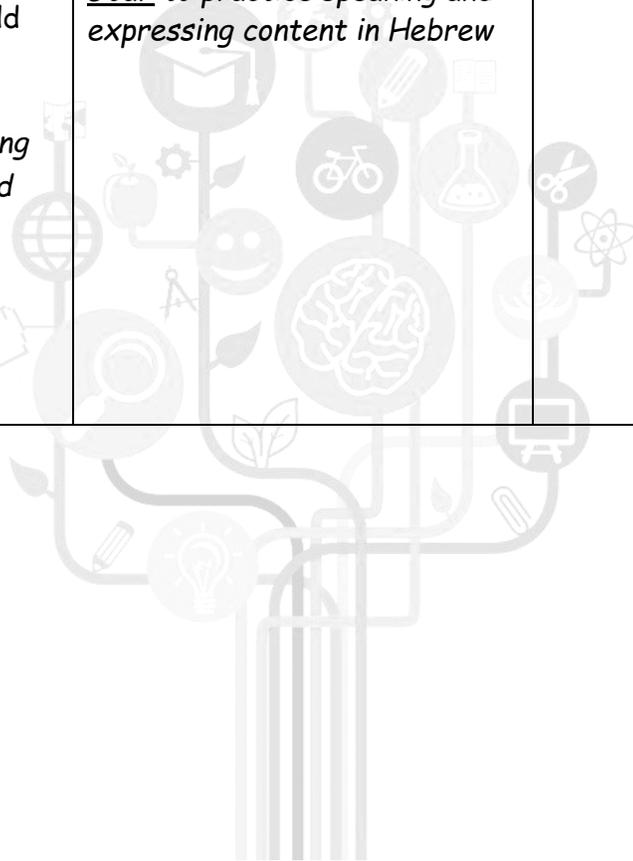

Looking forward to seeing all your creative videos!

Goal: to practice speaking and expressing content in Hebrew

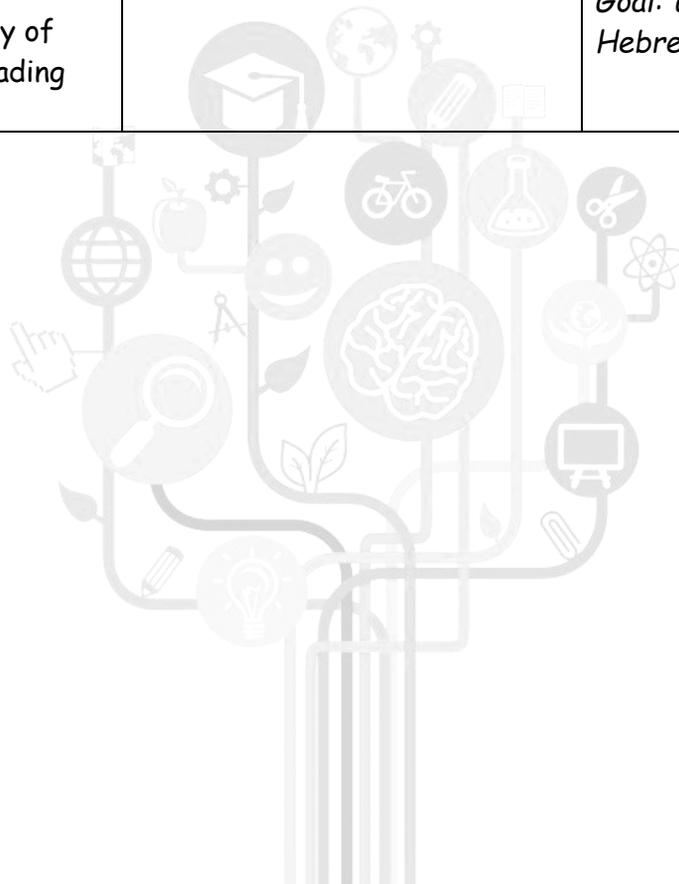

New! [Pesach Kahoot](#) - game

will be open until Friday April 3

Goal: to rehearse the important parts of the Passover story in a fun and interactive way!

<p>Choose to learn to sing the Ma Nishtana - the 4 questions or the steps of the seder!</p> <p><i>Goal: to rehearse the important parts of the Hagada in a fun and interactive way and to practice the Hebrew pronunciation!</i></p>	<p>Hebrew speaking: Call to interview a friend that you haven't spoken to last week. Choose from questions you haven't done yet.</p> <p>Interview Questions</p> <p><i>Goal: to practice speaking and expressing in Hebrew.</i></p>	<p>Learn about the 15 steps of the Seder online, then print and fill out (draw and write) the Pesach Cards.</p> <p><i>Goal: learn about the 15 steps of the Seder, and get prepared for the seder.</i></p>
<p>Parshat Tzav: Read Tzav Roundup Watch Tzav Video</p> <p>Share with your family members:</p> <ol style="list-style-type: none"> 1. One new thing you learnt from the Parasha 2. The name of the Parasha and its meaning <p><i>Goal: learning the story of the Parasha as well reading comprehension.</i></p>	<p>Hebrew writing: Choose 1 picture from the following links:</p> <ul style="list-style-type: none"> ▪ Write a story to the picture ▪ Describe the picture <p><i>Goal: to practice creative writing and expression in Hebrew.</i></p>	<p>Daily reading - 10 minutes</p> <p>Any Hebrew reading book you have is good. If you don't have, here are a few options:</p> <ul style="list-style-type: none"> ▪ Online Stories Press on the purple link "הקליקו כאן" and the PDF will open up. ▪ Stories online ▪ Pesach Reading ▪ Short Stories <p><i>Goal: to practice reading Hebrew and improve fluency.</i></p>

Continuous Learning Plan: Grades 3 & 4

Week of March 30th-April 3rd

Continuous Learning Plan: Grade 3&4
 Week of March 30th- April 3rd

Extracurricular Activities for the Week

(Choose 1-2 options per day to complete)

Please send a picture/video of some of your work to scohen@rjds.ca

<p>Do you need help with any assignments/work in any of your classes? Schedule a Zoom meeting with Morah Shany! https://calendly.com/scohenrjds/30min</p>	<p>Complete about 30 minutes of coding (section assigned by Morah Shany) at: www.code.org</p> <p>*Please see note below*</p>	<p>Draw step by step with the "Art for Kids Hub" https://www.artforkidshub.com/art-projects-by-age/5-8/ (If a video doesn't work, choose a different one)</p>
<p>Explore https://tonematrix.audiotool.com/ How does the sound vary? How can you unite a sound? Create a tune and slowly turn it off, one by one. How does the sound differ when less blocks are turned on?</p>	<p>Help a family member with 2 chores around the house! Take a picture of you helping!</p>	<p>Go outside (either for a walk or in your backyard). Close your eyes and use your sense of smell and sense of hearing. Go back home and draw only what you were smelling and hearing outside! Don't forget to add detail to your pictures!</p>
 <p>Trace your hand with a black marker in the middle of your page. Next, add some patterns and designs in black marker inside your hand. For the background, draw warm coloured patterns on one side on your page and cool coloured patterns on the other side of your page!</p>	<p>Play a board game or complete a puzzle with a family member! Make sure you practice good sportsmanship! Remember to be kind and encourage each player!</p>	<p>Using one of the books you are currently reading, illustrate one of the characters. Add detail to your character.</p>
