Trying a New Recipe

Read a recipe that you would like to try.  
Maybe something that you've never tried  
making before? Or a recipe that you and  
your family haven't made in a while.  
Try to keep the food item healthy. 😊  
Once you've decided on a recipe, help a  
family member make it. How did it turn  
out?

Help with 5 Jobs

Ask a parent for 5 jobs around the house that  
they would like help with throughout the week.  
Some ideas may include, sweeping, vacuuming,  
laundry, help make dinner, wash dishes, take  
out the garbage. Try a new job this time! Maybe  
one that you've never done before? What did  
you learn?
