You can use markers, pencil crayons, crayons, or paint for this activity. Here is an example of Morah Shany's handprint:</p> 	<p align="center"><u>Origami Flower</u></p> <p>What season are we in now? Spring! What grows in the spring? Flowers! Let's make a flower out of paper! Watch the video below to learn how. If you don't have origami paper, use white printer paper. Cut the printer paper into a square before you start. You can also decorate your paper before you start.</p> <p>https://www.artforkidshub.com/how-to-fold-an-easy-origami-flower/</p>

Go for a walk. Listen carefully to all of the sounds around you. Write or draw a picture of 5 sounds that you hear. Maybe you can hear the birds singing, the wind whooshing, the trees moving from side to side. What other sounds do you hear? Would the sounds be different if you decided to go for a bike ride or a run instead of a walk? Try it and see! Are the sounds different?</p>	<p align="center"><u>Peace in my Heart</u></p> <p>Listen to this catchy song: Peace in my Heart! Next, try the movements that go along with this song under "Kids Demo". Don't forget to sing as you dance. Send a video of your dance moves to Morah Shany.</p> <p>https://musicplayonline.com/?s=peace+in+my+heart&meter_stat=</p>
